Hi Emily,

Unfortunately I have been unable to located any licenses for MWG for the images not crossed out on the listing that you provided. This does not mean that the uses were not licensed, as they may be have been licensed by another account that we are unaware of for MWG.

Hi Veronica-

The attached spreadsheet has color images. There are 66 total images. However, 26 images you have already checked into for us (Those were the ones I crossed out on the previous attachment). The remaining 40 are the ones we need licensing information about in regards to MWG. Thanks again so much for your assistance in this matter!
